## Empire Cast

And for love's sake  
Each mistake  
Oh, you forgave  
And soon both of us  
Learned to trust  
Not run away (run away)  
There's no time to play  
We built it up  
(And built it up)  
And built it up

And now we're solid  
Solid as a rock  
That's what this love is  
That's what we've got  
And now we're solid (solid)  
Solid as a rock  
And nothing's changed it (no)  
The thrill is still  
Hot, hot, hot, hot, hot, hot, hot, hot

You didn't turn away  
When the sky went gray  
(No, I didn't)  
Somehow we managed  
We had to stick together  
You didn't bat an eye  
When I made you cry  
(Oh, you made me cry, baby)  
You knew down the line  
That we'd make it better

Had to make it better  
And for love's sake  
Each mistake  
Oh, you forgave  
And soon both of us (both of us)  
Learned to trust (learned to trust)  
Not run away

Gone with the wind  
Another friend

Got in between  
And tried to separate us  
(No, they can't, no, no)  
No, no, they can't  
Knock knock on wood  
(Knock, knock)  
You understood  
(Yes, I did)  
Love was so new  
We did what we had to

What we had to do, yeah  
And with that feelin' (feelin')  
We were willin' (willin')  
To take a chance (take a chance)  
So what gains are lost (are lost)  
We made a start (made a start)  
We got serious  
This one, turned to dust  
We built it up  
(And built it up)  
And built it up

And now we're solid
