

Talk Less

Empire Cast

They see my battle scars
They're not here just because
Cigarettes and jeans, I'm a rebel worth a cause
They say I'm troublesome, they wanna back me against the wall
Just stare while I flip my hair, because I don't really care at
all
Tell 'em they can talk as much as they wanna
I don't know what the hell you want from us
If it doesn't kill me, it only makes me stronger, makes me stro
nger

Say it, just say it, just say it, back on the top regardless
But my armor makes me flawless
I'm bulletproof, so just say it, just say it, just say it
Back on the top regardless
I'm gonna make noise and silence

Poking at the king and trying to wake up the beast
I put 'em in they place and tell 'em to take a seat
They're drowning out the noise, man, how hard can it be?
Actions speak louder than words, talking is cheap
Lately I've been numb by the...oh, did I mention?
I keep my money cause I never pay 'em attention
Try the hardest, oh, they try to tarnish my image
But the lion in them means

Hey, uh, tell em they can talk as much as they wanna
I don't know what the hell you want from us
Yeah
If it doesn't kill me, it only makes me stronger, makes me stro
nger

Say it, just say it, just say it, back on the top regardless
But my armor makes me flawless
I'm bulletproof, so just say it, just say it, just say it
Back on the top regardless
Im gonna make noise and silence
Say it, just say it, just say it, back on the top regardless
But my armor makes me flawless
I'm bulletproof, so just say it, just say it, just say it
Back on the top regardless
I'm gonna make noise and silence
