

# This Time

## Empire Cast

Cancel all my women on the side  
For a little more of your time  
Whatever you need alright  
Whatever you need alright  
Don't say that I'm doing too much  
Not this time  
No, not this time  
This time, this time, this time  
This time, this time, this time, this time, this time, this time  
I'll get it right, get it right, get it right, get it right this time  
Get it right, get it right this time  
Get it right, get it right this time  
Get it right, get it right this time  
Get it right, get it right

Countless the times you hold me down cuz you ain't give me up  
No you ain't, give me up  
And all of your friends forget what they say  
It's time that you hear me out  
Girl you gon hear me out  
I made some M's & some mistakes  
But you don't throw it in my face  
Been thru the most, you don't complain  
Keep it composed you keep it G  
Keep it gangsta or whatever  
Tell the truth I do you better  
We made diamonds from the pressure  
Baby you my little treasure

Cancel all my women on the side  
For a little more of your time  
Whatever you need alright  
Whatever you need alright  
Don't say that I'm doing too much  
Not this time  
No, not this time  
This time, this time, this time  
This time, this time, this time, this time, this time, this time  
I'll get it right, get it right, get it right, get it right this time  
Get it right, get it right this time  
Get it right, get it right this time  
Get it right, get it right this time  
Get it right, get it right

This time Ima keep it all the way G  
How we just gonna throw it all away we  
Need assistance in the midst of war  
I should of fixed it, should've kissed you more  
Red Rolls Royce you deserve dat  
Hundred red roses on ya door step  
Got me in a trance from ya hips and thighs  
Shorty do ya dance I'm hypnotized  
This time baby Ima do right  
Chain me to ya heart, I do, life  
We need addition when they see division  
Just please have some patience, no hasty decisions  
That time that I fell down it gave me this wisdom

Then I fell for you and it gave me this vision like  
Got me wide open, can't hide  
Give you all of me, no pride

Whatever you need alright  
Don't say that I'm doing too much  
Not this time  
No, not this time  
This time, this time, this time  
This time, this time, this time, this time, this time, this time  
I'll get it right, get it right, get it right, get it right this time  
Get it right, get it right this time  
Get it right, get it right this time  
Get it right, get it right this time  
Get it right, get it right

Get it right, get it right  
Cinderella glass slipper you can fit it right  
I know you sick and tired of feeling sick at night  
Pick a place to visit, if you wit it we can get a flight  
Top down rolling on the highway  
Just you and me and some Sade  
You check on me, that's a G-Check  
We got a vibe that I re-spect  
Damn I got a winner  
Every winter keep you warm like  
Bonita Applebaum, you know I gotta put me on like  
Shining under you light  
Ready to go to war like  
And if it's worth having then it's worth fighting for like  
Love plus love equals us  
Me minus you ain't cool, no  
Got me wide open, can't lie  
Give it all to you, no pride

Not this time  
No, not this time  
This time, this time, this time  
This time, this time, this time, this time, this time, this time  
I'll get it right, get it right, get it right, get it right this time  
Get it right, get it right this time  
Get it right, get it right this time  
Get it right, get it right this time  
Get it right, get it right
