

# Throne

Empire Cast

The kingdom has finally come  
And the world cannot deny  
What was once laid to rest  
Has come back to life

I feel it in my soul  
I know I'm ready for it  
And now he's stronger than before  
Ready to rule my world  
The only thing that could break the seal that opens my heart  
That once was so hard  
But now, but now

We bow down at his feet  
The crown is his alone  
I'm lookin' at my king, take back his throne  
And he's made time for you and me  
He won't ever be alone  
I'm lookin' at my king, take back his throne  
Woah, oh  
Take back his throne  
Woah, oh  
Take back his throne  
Woah, oh  
Take back his throne  
I'm lookin' at my king, take back his throne

And now he's back more powerful than ever  
Yeah, this time he'll stand before us and he'll reign forever  
And all of this glory of royalty beyond measure  
There's no stopping him now, it can't get any better

I feel it in my soul  
I know I'm ready for it  
And now he's stronger than before  
Ready to rock this world  
We're taking 'em down one by one (oh)  
Time to go all the way 'til the battle is done
