

Thunder & Lightning

Empire Cast

Can't you look at me and see that I love ya?
And I'd do anything for ya
Jump into the mouth of a volcano
Race into the wind beside an eagle
Can't you feel that I trust ya?
And I'll do anything for ya
Climb up Mount Everest without a rope
Dive into the Bermuda without a boat, boat

Can't you see that I love ya
Look at me
See that I love ya

Like thunder and lightning, we were meant to be
Wrapped up inside your arms, that's right where I belong
Like thunder and lightning, you're a part of me
Wrapped up inside your arms, that's right where I belong
And I ain't going nowhere, said I ain't going nowhere
'Cause I'ma be right here, right here, right here, right here, right here, right here, right here, hey

Can't you look at me and see that I love ya?
And I'd put nothing above ya
Wrestle with the king of the jungle
Anything for my baby, that's how we roll
Can't you see that I need you?
Do anything to please ya
Stare into the eyes of a cobra
Lock arms with a grizzly, no joke, joke

Can't you see that I love ya
Look at me
See that I love ya

Like thunder and lightning, we were meant to be
Wrapped up inside your arms, that's right where I belong
Like thunder and lightning, you're a part of me
Wrapped up inside your arms, that's right where I belong
And I ain't going nowhere, said I ain't going nowhere
'Cause I'ma be right here, right here, right here, right here, right here, right here, right here, hey

It's in the way that I walk, yeah
It's in the way that I talk
It's all about how you love me, baby
Driving me crazy how you love me, baby
It's in the way that I walk, yeah
It's in the way that I talk
It's all about how you love me, baby
Driving me crazy how you love me, baby

Like thunder and lightning, we were meant to be
Wrapped up inside your arms, that's right where I belong
Like thunder and lightning, you're a part of me
Wrapped up inside your arms, that's right where I belong
And I ain't going nowhere, said I ain't going nowhere
'Cause I'ma be right here, right here, right here, right here, right here, right here, right here, hey

ight here, hey
