

You love to make me work for it
You say I gotta work for it (yeah)
If you really want my love (yeah)
Boy, you better work for it
You love to make me work for it (whoa-whoa)
You say I gotta work for it
If you really want my love
Boy, you better work for it

Let's skip the conversation
Don't keep me waitin'
You say you want me
Baby, show me you mean it (ooh)
No hesitation
I'm losin' patience (ooh)
You better walk that walk
You better talk that talk, yeah, yeah

Hold me the way you say I'm always on your mind (on your mind)
Show me I'm special like you tell me all the time, yeah (tell me all the time)
Trust me, I want you just as bad as you want me, boy
But I ain't gon' make it, I ain't gon' make it easy

You know just how I feel
And words only go so far
So show me what's real

You want my love
You better work for it
Yeah, yeah
I want your love
So I'ma work for it
Yeah, yeah
(I'ma work for it)
Work for it

You love to make me work for it (yeah)
You say I gotta work for it
If you really want my love
Boy, you better work for it (woo) (just go)
You love to make me work for it (uh)
You say I gotta work for it
If you really want my love (oh)
Boy, you better work for it

Too much (boy, you better work for it)
I don't wanna too much
But, girl, you make my blood rush
But you need to know that I want you (you, you, you)
Girl, it's true (uh)
Lemme pay my dues (yeah)
Girl, it's somethin' just like Medusa (ah)
You turnin' heads
You breakin' necks (breakin' necks) yeah
Sex appeal from your head to your legs, girl (ooh)
And I just wanna love you better

Better than he could, yeah

You know just how I feel
And words only go so far
So show me it's real

You want my love
You better work for it
Yeah, yeah
I want your love
So I'ma work for it
Yeah, yeah

You want my love
You better work for it (yeah)
(I'ma work for it)
You better work for it
(I want your love)
Oh, you better work for it
(Ooh, yeah)
Oh, yeah, yeah, yeah
Baby, work for it
