

# Wait

## Empire Cast

Baby  
It's only right to feel myself, yeah, mmh  
Or maybe, yeah, yeah  
You like it when I cry for help

Tell me who's gonna  
Love me like I'm dreaming  
Baby, don't you do it  
Don't you dare wake me, yeah, yeah

I don't know, but I won't come down  
To your level now  
No, no, no, I won't wait all night  
So don't waste my time  
Truth is, I won't sleep on lies  
So you better wake up now  
I'm not gonna wait, wait, wait  
Sorry, not gonna wait, wait  
Sorry, not gonna wait, wait  
Truth is I won't sleep on lies  
Go ahead and wait in line  
I'm not gonna wait, wait  
Wait on nobody  
Wait on nobody  
Wait on nobody

Writing's on the wall  
I see it clearly, baby  
But I, I, I, I watch how you turn  
Oh, do a full one-eighty  
Tell me, yeah

Tell me who's gonna  
Love me like I'm dreaming  
Baby, don't you do it  
Don't you dare wake me, yeah, yeah

I don't know, but I won't come down  
To your level now  
No, no, no, I won't wait all night  
So don't waste my time  
Truth is, I won't sleep on lies  
So you better wake up now  
I'm not gonna wait, wait, wait  
Sorry, not gonna wait, wait  
Sorry, not gonna wait, wait  
Truth is I won't sleep on lies  
Go ahead and wait in line  
I'm not gonna wait, wait  
Wait on nobody  
Wait on nobody  
Wait on nobody
