

Awakening

Empire of the Sun

Is there a part of me, that's part of you?
If I shed a tear, baby do it then
Is there a part of me that goes to you?
Is there a part to you I haven't seen

Give it up and I don't know why
You are never rising
I just wanted you
Will I show you a part is over me?
You're my life
You're my life
You're my life

Movement slows
Awakening, we make believe
Awakening
Movement slows
Awakening, we make believe
Awakening

I looked through the spots when I spotted you
Making you girls seen that I'm okay
Are you a star? Here's a part of you
Empire of Sun, deep into the flame

Give it up and I don't know why
You are never rising
I just wanted you
Will I show you a part is over me?
You're my life
You're my life
You're my life

Movement slows
Awakening, we make believe
Awakening
Movement slows
Awakening, we make believe
Awakening

Awakening
Awakening

If I climb away before I do that
Yes I'll hide away from a dream yea
That's a place we were from here
That's a place that's far from here

Movement slows
Awakening, we make believe
Awakening
Movement slows
Awakening, we make believe
Awakening
