Follow the simplest fact
Girl you cheated through the breakin way
Fall through the love like I never loved
Soberer than I've ever been

Call me, hard to emerge yea
Sittin on the fire and waitin
All the things I have changed and I'm afraid you
Crossed an inch away

We celebrate, we celebrate

We celebrate, we celebrate
We celebrate
We celebrate, we celebrate
We celebrate

Sorry, it touches a bad news
What you wanted? I say come on and go
Louder, lookin at all the fires
I say anyway the inch took off

Sorry, the angels had split sure Of the verge and washed away To fly is only one, all I ever said In a simple way

We celebrate, we celebrate our love We celebrate our love We celebrate, we celebrate our love We celebrate our love

We celebrate, we celebrate our love We celebrate our love We celebrate, we celebrate our love We celebrate our love

'Cause for real it looks like you're in the dark Bount to be upon a star Imagine how you'd feel Here's we're feeling lost

We celebrate, we celebrate our love We celebrate our love We celebrate, we celebrate our love We celebrate our love

We celebrate, we celebrate our love We celebrate our love We celebrate, we celebrate our love We celebrate our love
