## Empire of the Sun

Phenomenal incredible emotion  
Coursing through my veins tonight  
I've never felt so alive  
Don't delete her, let her see the light

Oh, are you running low?  
Don't let go, let go  
There's ways you know to save our fantasy  
Through all of the good things  
Don't let go, let go  
There's ways you know  
Always on my mind

Television superstition  
Just a minute, who can we rely?  
Just a minute, are we winning?  
Always on my mind  
Always on my mind  
Just a minute, are we winning?

Impossible, I can't believe not coming down  
Cosmic cellophane cool as ice  
I've never felt so alive  
Don't delete her, let her see the light

Oh, are you running low?  
Don't let go, let go  
There's ways you know to save our fantasy  
Through all of the good things  
Don't let go, let go  
There's ways you know  
Always on my mind

Television superstition  
Just a minute, who can we rely?  
Just a minute, are we winning?  
Always on my mind

Television superstition  
Just a minute, who can we rely?  
Just a minute, are we winning?  
Always on my mind

I was a vision  
I was a television, record and rewind  
I was a vision  
I was a television, record and rewind
