

Lord Have Mercy

Empires

I think I see things some other way
I think I've marched as an angel into the devil's cage
I wanna fuck up society and piss in it's grave
I wanna love somebody in a selfless way

It's time for the end and beginning to meet
Time for what I lost to come back to me
I wanna challenge my death by coming back to life
I'm gonna do it all over, gonna make things right

Lord have mercy
Lord have mercy
Lord have mercy
On me

I wanna suck out the venom coursing your veins
I wanna do something nice so I ain't ashamed
When I stand like a prisoner outside of heaven's gates
I wanna get some pity for my actions made

Time doesn't make me scared at all
It only makes me think I better jump not fall
It's time for me to sacrifice
I wanna smile for the problem child in god

Lord have mercy
Lord have mercy
Lord have mercy
On me

Lord have mercy
Lord have mercy
Lord have mercy
On me

I messed up
Didn't see a thing
I'm a little fool
What a little fool
What a little fool
What a little

Lord have mercy
Lord have mercy
Lord have mercy
On me

Lord have mercy
Lord have mercy
Lord have mercy
On me

Oh I see things some other way
I think I've marched as an angel into the devil's cage
I wanna fuck up society and piss in it's grave
I wanna love somebody in a selfless way

Lord have mercy
Lord have mercy
Lord have mercy
On me
