

# Cry For Help

Empress Of

You don't have to see tears to hear a cry for help  
A cry for help  
A cry for  
You don't have to be near to know I'm not myself  
I'm not myself anymore

I want to be landlocked  
I want to be somewhere familiar  
My mind is in handcuffs  
My time is never enough

You don't have to see tears to hear a cry for help  
A cry for help  
A cry for  
You don't have to be near to know I'm not myself  
I'm not myself anymore

The room spins while I'm still (Cry for help)  
I feel like I can't chill  
I'm sort of a sledge now (Cry for help)  
Can't sit in a chair now

You don't have to see tears to hear a cry for help  
A cry for help  
A cry for  
You don't have to be near to know I'm not myself  
I'm not myself anymore  
You don't have to see tears to hear a cry for help  
A cry for help  
A cry for  
You don't have to be near to know I'm not myself  
I'm not myself anymore

(Cry for help)  
(Cry for help)

You don't have to see tears to hear a cry for help  
A cry for help  
A cry for  
You don't have to be near to know I'm not myself  
I'm not myself anymore  
You don't have to see tears to hear a cry for help  
A cry for help  
A cry for  
You don't have to be near to know I'm not myself  
I'm not myself anymore
