

# Hot N Cold

Empress Of

You change your mind  
Like a girl changes clothes  
Yeah, you, PMS  
Like a bitch  
I would know  
And you overthink  
Always speak  
Cryptically  
I should know  
That you're no good for me

Because you're hot then you're cold  
You're yes then you're no  
You're in then you're out  
You're up then you're down  
You're wrong when it's right  
It's black and it's white  
We fight, we break up  
We kiss, we make up  
(You) You don't really want to stay, no  
(You) But you don't really want to go-o  
You're hot then you're cold  
You're yes then you're no  
You're in then you're out  
You're up then you're down

We used to be  
Just like twins  
So in sync  
The same energy  
Now's a dead battery  
Used to laugh 'bout nothing  
Now you're plain boring  
I should know  
That you're not gonna change

Because you're hot then you're cold  
You're yes then you're no  
You're in then you're out  
You're up then you're down  
You're wrong when it's right  
It's black and it's white  
We fight, we break up  
We kiss, we make up  
(You) You don't really want to stay, no  
(You) But you don't really want to go-o  
You're hot then you're cold  
You're yes then you're no  
You're in then you're out  
You're up then you're down

Someone call the doctor  
Got a case of a love bitchpolar  
Stuck on a roller coaster  
Can't get off this ride

You change your mind

Like a girl changes clothes...

Because you're hot then you're cold  
You're yes then you're no  
You're in then you're out  
You're up then you're down  
You're wrong when it's right  
It's black and it's white  
We fight, we break up  
We kiss, we make up  
(You) You don't really want to stay, no  
(You) But you don't really want to go-o  
You're hot then you're cold  
You're yes then you're no  
You're in then you're out  
You're up then you're down

You're hot then you're cold  
You're yes then you're no  
You're in then you're out  
You're up then you're down  
You're wrong when it's right  
It's black and it's white  
We fight, we break up  
We kiss, we make up  
(You) You don't really wanna stay, no  
(You) But you don't really want to go  
You're hot then you're cold  
You're yes then you're no  
You're in then you're out  
You're up then you're down, down
