

How Do You Do It

Empress Of

Like a nail in the wood
Build this house from nothing
Now I stand where I've stood
Welling up with something

I feel great, I feel good
What a long time coming
I forgot that I could
Let someone fulfill me

How do you do it?
How do you do it?
How, how do you do it?
How do you do it?
How, how do you do it?
How do you do it?
How, how do you do it?
How do you do it?
How, how

Do you do it?
Like this? Like that?
Oh, how, when you do it
When you drive me mad
Oh, how do you do it?
Like this? Like that?
Oh, how, when you do it
When you drive me mad
Oh, how

All my dreams take on shape
When you whisper my name
When your eyes tell my eyes
You've been wanting the same

To let go of your touch
Would be too much for me
Let the roots dig in deep
When you hold my body

How do you do it?
How do you do it?
How, how do you do it?
How do you do it?
How, how do you do it?
How do you do it?
How, how do you do it?
How do you do it?
How, how

Do you do it?
Like this? Like that?
Oh, how, when you do it
When you drive me mad
Oh, how do you do it?
Like this? Like that
Oh, how, when you do it

When you drive me mad
Oh, how
(Drive me mad)
(You drive me mad)
(You drive me mad)
(You drive me mad)
(You drive me mad)
(You drive me mad)
(You drive me mad)
(You drive me mad)
(You drive me mad)
(You drive me mad)
(Oh, how)
