## Empress Of

I wanna be sweet  
But there's too many scars  
I wanna love you free  
But I can't see the stars  
All I taste is bitter  
When you kiss my lips  
I know you've been with her  
'Cause your mouth's still red

What's her name? What's her name?  
All the girls  
Does she know how much she made me cry?  
Lorelei, Lorelei  
What's her name?  
All the girls  
Does she know how much she made me cry?  
Lorelei, Lorelei

I wanna believe  
That someone wasn't here  
I smell it on the sheets  
Found earrings I don't wear  
Your hands feel like winter  
When you touch my hips  
You give me a shiver  
When I ask who is it?

What's her name? What's her name?  
All the girls  
Does she know how much she made me cry?  
Lorelei, Lorelei  
What's her name?  
All the girls  
Does she know how much she made me cry?  
Lorelei, Lorelei  
If the tears don't change her mind  
Lorelei, Lorelei  
Does she know how much she made me cry?

Does she know how much she made me cry?  
Lorelei, Lorelei  
If the tears don't change her mind  
Lorelei, Lorelei  
Does she know how much she made me cry?
