

# Maybe This Time

Empress Of

Let's hear that wall  
Hit it again  
And tell me whose name  
Whose name you say when you hit that wall  
I feel a flood  
Feel a disaster coming through  
And there's no one in this room but you

Ooh, I don't know what else to do  
Then break myself for you

Maybe this time you'll feel me  
Feel me, feel me  
Baby you hurt me  
Hurt me, hurt me  
Your violent love ain't a bluff  
I don't want your touch this time

I know that calm  
Every time a storm comes along  
I'm always the one that's wrong  
Who's louder now  
Tell me who's prouder  
Who's got more shame  
You can't change and I can't change your ways

Ooh, I don't know what else to do  
Then break myself for you

Maybe this time you'll feel me  
Feel me, feel me  
Baby you hurt me  
Hurt me, hurt me  
Your violent love ain't a bluff  
I don't want your touch this time

Where's the edge when the fire spreads  
Where's the love when we lost our heads  
Maybe this time  
Maybe this time  
Maybe this time, where's the edge, where's the line  
Maybe this time  
Maybe this time  
Maybe this time where's the edge when the fire spreads

Maybe it's time you'll feel me  
Feel me, feel me  
Baby you'll hurt me  
Hurt me, hurt me  
You're violent love ain't a bluff  
I don't want your touch this time
