You don't touch me and I don't twist
There's somethings that I never missed
I love you, I know you're pissed
How could no one ever let you down
Now I know
Something tells me you ain't down

It's confusing the way you touch me baby no
It's confusing the way you touch me baby no

Oh, what's the point of loving like this
You don't touch me and I don't twist
There's something I never missed
I love you, I know you're pissed
Oh, what's the point of loving like this
You don't touch me and I don't twist
There's somethings that I never miss
I love you, I know you're pissed
Oh, what's the point
