

When I'm With Him

Empress Of

You fell me lost
Let me like a desert rain
I tried to fight
But I just don't feel the same
I feel possessed
I speak but can't express
I lay in bed
Replaying life we once lived

Give me one of that
Give me one of it
I'm going back and forth
Like branches in the breeze
Give me one of that
Give me one of it
I don't know how to tell you
Tell you

I feel like I'm the outside looking in
When I'm with him
I don't know how to love now, I pretend
When I'm with him

Querías más de lo que podría ser
Me alejo más y tú no lo puedes ver
I feel possessed
I can't help but repress
All of the signs
Telling me that I'm not fine

Give me one of that
Give me one of it
I'm driving myself crazy sitting silently
Give me one of that
Give me one of it
I don't know how to tell you
Tell you

I feel like I'm the outside looking in
When I'm with him
I don't know how to love now, I pretend
When I'm with him

I'm sleepwalking every time
Trying to don't know why
On the outside looking in
When I'm with him
I'm playing a part
But it's getting too hard
Awake in the dark
It's too late to tell you
Tell you

I feel like I'm the outside looking in
When I'm with him
I don't know how to love now, I pretend
When I'm with him

I feel like I'm the outside looking in
When I'm with him
I on the outside looking in
When I'm with him
