

Don't Stop Me

Empty Tremor

Sometimes you let me live and sometimes not at all sometimes you understand sometimes I face a wall

I know about your dreams but I've got other plans I've got so much to do I've got no time to waste

I can control my actions but please don't go too far I found my life direction if you let me try!

I just don't want your jealousy I just don't care! If you love me please give me a chance to find my way!

Don't stop me! Don't stop me! Just let me find my way!

Don't stop me! Don't stop me! It's my turn! I can't wait!

Don't stop me! Don't stop me! I need to go away!

Don't stop me! don't stop me! It's my turn! I can't wait!

I've never thought to give my life into your hands cause I've always set you free and now I want respect!

My love for you is real and more than just a game you don't know how I feel you just care about yourself!

Yes I'll control my actions but please don't go too far I found my life direction and you should let me try!

I just don't need your jealousy I just don't care! If you love me please give me a chance to find my way!

Don't stop me! Don't stop me! Just let me find my way!

Don't stop me! Don't stop me! It's my turn! I can't wait!

Don't stop me! Don't stop me! I need to go away!

Don't stop me! Don't stop me! It's my turn! I can't wait! Oh no!

I can control my actions but please don't go too far I found my life direction if you let me try!

I just don't need your jealousy I just don't care! If you love me please give me a chance to find my way!

Don't stop me! Don't stop me! Just let me find my way!

Don't stop me! Don't stop me! It's my turn! I can't wait!

Don't stop me! Don't stop me! I need to go away!

Don't stop me! Don't stop me! It's my turn! I can't wait! Oh no!
