

## Believe In Me

Emrah Karaduman

It's time to shine  
It's time to shine  
It's time to shine  
Give'em what you got baby  
It's time to show them  
Oh who you are  
It's time to shine  
Gotta give'em what you got  
Gotta show them all, divine  
Don't you think like that  
I will love you honestly  
If you'd only believe in me  
Don't you think like that  
I will love you forever  
If you'd only believe in me, yeah  
Believe, yeah

Believe, yeah

Believe, yeah
