Vele bano
Mona that's a fact
Fake niggas stab you in a back
And when you make it niggas don't know how to act
All I see is snakes and some rats
OK,
There they go,
Blowing up my phone,
Won't leave me alone
Say they want a loan,
Get offended when I tell em no
There they go,
Blowing up my phone,
Won't leave me alone
Say they want a loan,
Get offended when I tell em no
