We stick around hoping they change though  
After the rain comes a rainbow  
and they trip when you say no  
Even when they know, you go high, life in the streets so high  
They hate when you need no one, I don't see no one  
Coz me and my team go high, they sipping on lean so high  
Baba God He there for my side  
This thing I do that's changing my life  
Everything it seems to go right  
Never had nothing man I would cry

Oh I mean, can't you see that I need, to feed family urgently  
Time for me for some kicks, make some g's  
And now I ball till the cops come
