

# BELIEVER

Emtee

Ayy  
Ayy (Tru Hitz)  
Yeah  
Ayy (This is CoKayn)

I'm a believer, I'm a dreamer  
And I earn my stripes like Adidas  
I ain't tryna meet up, I'm chasin' the 'diba  
I will never stop, roll some weed up

Ithembal al'bulali  
Ithembal al'bulali  
Ithembal al'bulali  
Ithembal al'bulali, my dawg, yeah

(Ayy)  
God gave me another chance  
So I can live longer, inspire another man  
You ain't Obama but nigga, yeah, you can  
God got you in all his plans  
Noma bethini, noma fede kunjani  
Kumele sibambelele noma kanjani  
You got a purpose like everyone  
You gon' be the one puttin' 'em on  
Just wait your turn and when it comes, grab it  
Everything I earned is from practice  
Practice, a whole lot of practice  
Now if I want it, I can have it (Ayy)  
It's a whole different ball game  
Remember when I had no one to call, mane  
I be by myself out at Balmain  
I be by myself when I fall again

I'm a believer, I'm a dreamer  
And I earn my stripes like Adidas  
I ain't tryna meet up, I'm chasin' the 'diba  
I will never stop, roll some weed up

Ithembal al'bulali  
Ithembal al'bulali  
Ithembal al'bulali  
Ithembal al'bulali, my dawg, yeah

I had to wait for this shit  
Fast and pray for this shit  
Tryna make a way for my kids  
I had to be patient with this  
Blood, sweat and tears we na wish (Ayy)  
I was just a youngin' with a big heart  
I need a big crib with a big yard  
Live soft and still hard (Yeah)  
Keep shinin', you lil' star  
Dey go pree, dey go vex  
We don't sleep, we don't rest  
All I need is a cheque  
Versace for my kids from the feet to the neck  
Steez' hella fresh and I'm leading the rest

And I'm feeding my nest  
Work hard in silence  
I'm in the city duckin' the violence  
Careful who you got ties with  
'Cause these days we die quick

I'm a believer, I'm a dreamer  
And I earn my stripes like Adidas  
I ain't tryna meet up, I'm chasin' the 'diba  
I will never stop, roll some weed up

Ithemba al'bulali  
Ithemba al'bulali  
Ithemba al'bulali  
Ithemba al'bulali, my dawg, yeah

I'm a believer, I'm a dreamer (I'm a dreamer)  
And I earn my stripes like Adidas  
I ain't tryna meet up, I'm chasin' the 'diba  
I will never stop, roll some weed up

Ithemba al'bulali  
Ithemba al'bulali
