

BLESSED

Emtee

Lord forgive me for my sins
I'm just tryna' live
Shit I do this for my kids
Tryna' finish mama crib
Yeah

My life isn't easy but I'm thankful I'm still breathing
All I do is music they be hating for no reason
I'm feeling blessed
I'm feeling blessed
Yeah
No longer stressed
I'm still the best
I'm feeling blessed
I'm feeling blessed
Yeah
No longer stressed
I'm still the best
I'm feeling blessed
I'm feeling blessed
Yeah
No longer stressed
I'm still the best

I met Ghazi in Sandton
Never knew this would happen
I'm busy closing deals nigga
I'm not just rapping
Many praying for my downfall
Is that why you come around more
I can do this shit without y'all
Stack my paper mad tall
Bitch I'm big hustle
Better pay up for my service
I remember I was lurking
Had no money wasn't working
But God led me to my purpose
I don't feel no pain I'm immune to it
Do what to who? Boy you must be stupid

My life isn't easy but I'm thankful I'm still breathing
All I do is music they be hating for no reason
I'm feeling blessed
I'm feeling blessed
Yeah
No longer stressed
I'm still the best
I'm feeling blessed
I'm feeling blessed
Yeah
No longer stressed
I'm still the best
I'm feeling blessed
I'm feeling blessed
Yeah
No longer stressed
I'm still the best

Bitch I'm him no need to prove it
They can't fuck wit me when it comes to music
They not doing what I'm doing
They not moving how I'm moving
They not getting any coochie
That is why they moody
Never stress
Just do your best
Let God handle the rest
Life gon' put you to the test
All I know is that I'm blessed
But I never flex
I just a hit a lick
Now I'm cashing out a cheque
It's been years in a game
Put some respect on my name
I just flew private plane
We not the same
I just want my kids to be proud of me
And for the city just to honour me

My life isn't easy but I'm thankful I'm still breathing
All I do is music they be hating for no reason
I'm feeling blessed
I'm feeling blessed
Yeah
No longer stressed
I'm still the best
I'm feeling blessed
I'm feeling blessed
Yeah
No longer stressed
I'm still the best
I'm feeling blessed
I'm feeling blessed
Yeah
No longer stressed
I'm still the best
