And that outfit on you, 100K
Yeah I spend a lot of money, uh
That's why they be actin' funny, uh
Ain't gettin' nothin' from me, yeah
They ain't never hustle with me
Whether I'm in the news for the wrong reasons
Stickin' with me, yeah she's not leavin'

And for you baby I'ma kill some

And for you baby I'ma kill some, yeah, yeah

Lay your head on my shoulder
When I'm with you I'm sober
Ayy, a lil' closer, let me hold ya
I got my eye on you
I like the smile on you
Them boys spy on you
On the block nga bo quarter past two
I'm tryna provide for you
Pull and slide for you
Til I can buy you a coupe
