

DIY 2

Emtee

Yeah

Lotta shit is on my mind I don't wanna waste time
Get the paper coz I grind they be spying trynna find
What the fuck is on my mind
To a hater yeah I'm blind
I'm a boss yeah I sign, put a fuck nigga in line
I've been working that's for certain, and I keep it low key
Why the fuck these niggas acting like they know me
Got some money show me, maybe we can close deal
I be with the OG's, and they talking more g's
If I was you I would shut up, coz I'm the gangster here
Cribby got the chandeliers, I just had a [?] year
Room is full of trappers yeah
Balling like we Cavaliers, none of you niggas dabbing here
Lotta you niggas capping yeah
K'dala ng'gudla twana better show some respect
I was broke now private jets
They be outchea with the threats, they ain't pulling up yet
I be posted with the set, pull up on me it's a mess
And I ain't talking to the press
K'dala befun'a ama hit vele ngiyaspana
Keep waiting on it, whole clique in this bitch
Your bitch in the mix
Niggas be having a fit, they know that we lit
Switching up the whole sit', till we all get rich

What can we do, only money that I want

DIY 2 shit better get with it
DIY 2 shit better get with it
DIY 2 shit better get with it
DIY 2 shit better get with it

DIY 2 shit better get with it
DIY 2 shit better get with it
DIY 2 shit better get with it
DIY 2 shit better get with it

This is what you here for, this is just the intro
But I got them bitch schizo yeah ey
What you here for, this is just the intro
But I got them bitch schizo yeah
Ya
Yeah man DIY it's finally here man
We got that new jig in the streets tho
It's the DIY G
And it go

DIY 2 shit better get with it
DIY 2 shit better get with it
DIY 2 shit better get with it
DIY 2 shit better get with it

DIY 2 shit better get with it
DIY 2 shit better get with it
DIY 2 shit better get with it

DIY 2 shit better get with it
