Won't be broke forever hhay ngeke  
U didn't believe in me  
Now u're bout to see

And angeke ning'mele  
Tjel' amahater asiyeke  
Bangamane bas'bheke  
Bheka la mfanakithi  
If u're hating on me... Sorry  
Ngzok'dlel' umntanakini  
And another thing  
I am a boss, bayangazi emphakathini  
Ditch a hoe, kill a show lethi mali kim  
I'll never stop, hell no coz I'm gonna win  
I'm in the building but I'm still goin in  
I'm tryna KO lames gettin ready for jeans  
I see u talkin but u ain't saying nothing  
I'm rollin with ballers [?]  
Two bitches, one night  
Yall stay cuffin  
Kill a show at the club and u know its straight jumpin  
Met PRO just the other day  
And my dream came true, watchu wanna say?  
Had my team on set poppin hella A's  
We don't let any mamasita seeing other lads  
  
I came up knowing that if I don't give up, then I might get something  
If I quit then I won't get none  
I'll admit the struggle is no fun  
  
Dreams do come true  
You can win if you want to  
  
Yebafana benithini  
Nani bathakathi benithini  
Bang'biz' ingwazi elokishin'  
  
Hale kishebile bam'bitsa kamabitso  
Bakwala minyako bangitsepisa lidintso  
Now I send money to the family  
Go for any mommy who can get it  
All the way to the bank; nigga I'm dabbin  
Run up on em niggas its tragic  
Now I'm tryna make news vanish  
One song got me livin in the burbs  
None wrong with u sippin on purps  
Pull up in the kasi with a whip like skurt  
They all know this is what I deserve  
Came from the bottom; that's where they want me at  
Look now I'm runnin laps  
Try makin hits; fuck all ur phony raps  
We're makin money tracks  
Yes Sir, we want them stacks  
Stack it and stack it and give away ol the racks  
But ya'll niggas ain't real

Ya ain't payin no bill  
All u do is talk about yay  
U don't own no bill  
To the thugs tryna spazz out  
They gon meet me at the trap house  
U the one who knows what that's bout  
Wheepin all the birds out  
I be chill in the track through the talkin  
I enjoy watchin niggas try jokin  
Look at them forcing  
This niggas should forfeit  
We running Jozi

I came up knowing that if I don't give up, then I might get something  
If I quit then I won't get none  
I'll admit the struggle is no fun

Dreams do come true  
You can win if you want to
