

# GET STRAIGHT TO IT

Emtee

I can't get her out my mind  
Yeah

I said damn it but she fine (oh yeah she fine)  
I can't get her out my mind (get her out my mind)  
She say she like my style (she say she like my style)  
And she don't waste no time  
Shawdy get straight to itye  
Yeah yeah yeah  
She get straight to it  
Yeah yeah  
My baby get straight to it  
Yeah yeah  
She get straight to it

Whatever I say, she gone do it

If you were in love tell me what would you do?  
Girl would you love me if I lived in a mkhukhu  
Ayy  
I can't afford to lose you  
Singo Madiba no Winnie but new school  
Ay  
If I send her on a mission she gon do it  
Always had my back through this music  
She gon do it she ain't making no excuses  
Before I met her heart was empty like a pool pit

She turned my life around  
So Ima hold her down  
We gon be alright  
You will never frown  
Ay, again, again

I said damn it but she fine (oh yeah she fine)  
I can't get her out my mind (get her out my mind)  
She say she like my style (she say she like my style)
