

# Gone

Emtee

Yeah, it's the movement  
Atm  
Ey!

Phuma ekasi yeah ku-rough where I'm from  
If they pull up on you better give em what they want  
Quick two fingers for you niggas getting jumped  
I see you flexing boy be careful with when you stunt  
Next thing you know your bitch gone  
Your wrist is gone  
Your whip gone  
Everything just gone  
Your wrist gone  
Your bitch gone  
Your whip gone  
Everything just gone

They said I'm buying the mall  
Fuck em I pray to the Lord  
I ain't riding in a Ford  
Hell naw I'm not broke  
Atm is my Forbes, I'm moving up of course  
Shelltoe or airforce scoop me at the airport  
Emtee tha hustler ukuphi naaaaaaa  
Eintlik zishaphi masuthule kangaka  
Mel'khiphe something kulonyaka  
Lezi ziyadlala futhi ziya chancer  
See I'm from a dangerous place, you snitch and they go in the case  
Stop rapping bout me pussy nigga come say it to my face  
Manando will do you for me, you niggas know around the streets  
You heard me killing these beats, I'm in the stu' for weeks  
I know some killers, I know some villians  
I know the [?] at the church  
If uyayidinga  
I know some dealers them niggas putting in work  
Walala wasala, nix for mahala  
I came from the gutter where they talk and never stutter  
Yeah

Puma ekasi yeah ku-rough where I'm from  
If they pull up on you better give em what they want  
Quick two fingers for you niggas getting jumped  
I see you flexing boy be careful when you stunt  
Next thing you know your bitch gone  
Your wrist is gone  
Your whip gone  
Everything just gone  
Your wrist gone  
Your bitch gone  
Your whip gone  
Everything just gone

They show me love in your city, ngapha they robbing you  
You busy claiming that gangsta my nigga we mobbing too  
And I'm a ghetto hero, I'm talking Robin Hood  
And we some goodfellas sondela ungasabi boo  
U-safe la

We celebrate la, we getting paper  
Come hang with the gang tell your boyfriend that you see him later  
011 north side we reside  
I be stunting on live plus some goons on my side  
I don't hide  
I'm so Jozi I just ride around the city  
Ulelo thixo cause now I'm living different  
Me and my soldiers we been always on a mission  
Was really hungry now I got a fancy kitchen  
This my life [?] how it started back in [?]  
I know my songs is soulfull  
Man I had no place to go to  
Ezase Jozi sebenza  
I remember I wrote my first joint [?]

Puma ekasi yeah Ku-rough where I'm from  
If they pull up on you better give em what they want  
Quick two fingers for you niggas getting jumped  
I see you flexing boy be careful when you stunt  
Next thing you know your bitch gone  
Your wrist is gone  
Your whip gone  
Everything just gone  
Your wrist gone  
Your bitch gone  
Your whip gone  
Everything just gone
