

GOOD TIME

Emtee

Yeah (Uh)
(Yeah)
(Young2unn on the track)
(Hustle)
Yeah

We just havin' a good time
Blomme nama genge
Masisonke senza kwenzeke
Sohlala sithebelele
With no stress at all (No stress at all)
So, where we at tonight? (Tonight)
Sipheth' abantwana and they actin' right (Right)
We just havin' a good time
Sithebelele, with no stress at all

I just wanna chill and relax
I got- I got twenty thousand in this here fanny pack
I don't give a fuck 'bout where you been, bitch, I'm back
Whoever thought that I'd be rich 'cause I rap?
They don't believe me when I say I lived in a shack
Now I'm in the hills countin' cash
Everything I do is for my kids, that's a fact
I don't do the Swazi, bitch, it's been Zaza packs
These niggas think I'm cappin', shit was real in the trap
All these Mandelas, I seen a mill' in the bank
Save up money for my kids and voetsek
I let- I let niggas stab me in the back
But still, will, look out for niggas who want me killed
We grew up together for real, now I'm alone in the hills
Don't worry, I got the bill
Whatever it is, what it is
We was just kids dreamin' of this (Ayy)

We just havin' a good time
Blomme nama genge (Yeah)
Masisonke senza kwenzeke
Sohlala sithebelele
With no stress at all (No stress at all)
So, where we at tonight? (Tonight)
Sipheth' abantwana and they actin' right (Right)
We just havin' a good time (Yeah)
Sithebelele, with no stress at all

My life isn't easy but I woke up feeling blessed
Smokin' on that zaza, tryna balance out the stress (Ayy)
See these niggas cappin', I call 'em Mitchell & Ness
I don't gotta talk, they know who the best (Yeah)
And abazali always worried 'bout my past ways
Now that I'm ballin', I ain't no ever goin' back, yeah (Yeah)
I'm with the gang-gang, nigga
Touch on my bro and get bang-banged, nigga (Ayy, ayy, ayy)
ATM all on the chain-chain, nigga
They throwin' dirt on my name, I hope the energy remain the same
I celebrate through the struggle
I was just hungry, now I got this steak on my plate
I told my brudda we gonna be straight

I'm rockin' the North to the face
Hatin' on Twitter, show love to my face (Hey, hey)
I could never compete with these lames
Tryna swerve on my lane
If you ain't gang, you can't hang
At the corner with product to slang
In the city just doin' my thang
Since a youngin, I been the man
Got tired of pain, now I'm just sayin'

We just havin' a good time
Blomme nama genge
Masisonke senza kwenzeke
Sohlala sithebelele
With no stress at all (No stress at all)
So, where we at tonight? (Tonight)
Sipheth' abantwana and they actin' right (Right)
We just havin' a good time
Sithebelele, with no stress at all
