

Don't throw in the towel
Don't give up now
Raise your chin up now
I say
Don't throw in the towel
Don't give up now
Raise your chin up now (Sulahl'ithemba)
That's what I told myself (Sulahl'ithemba)
That's what I told myself (Sulahl'ithemba)
That's what I told myself (Sulahl'ithemba)
That's what I told myself (Sulahl'ithemba)

They throwing dirt on my name
Making fun of my pain
Trying to make me a lame (Ey ey ey)
Look at me strange
I made some mistakes
I'm not a saint
I was on them things everyday
Trying to ease up the pain
Had to switch up the lane
I'm taking off like a plane
I can never be tamed
You know what they say
No pain no gain
I'm just trying to get paid
Hustle hard everyday

Don't throw in the towel
Don't give up now
Raise your chin up now
I say
Don't throw in the towel
Don't give up now
Raise your chin up now, Sulahl'ithemba
That's what I told myself, Sulahl'ithemba
That's what I told myself, Sulahl'ithemba
That's what I told myself, Sulahl'ithemba
That's what I told myself, Sulahl'ithemba

Enough is enough
It's getting tough
But I'm not giving up
I know you wish me no luck
I don't give a fuck
Keep it all buck
Less people to trust
They'll throw you under the bus
Joburg city I'm repping
Young nigga steppin'
I'm a boss not a peasant, I took that as a lesson
Still left the studio session
Going down as a legend
Save me a spot up in heaven
We going to be rich in a second

Don't throw in the towel

Don't give up now
Raise your chin up now
I say
Don't throw in the towel
Don't give up now
Raise your chin up now, Sulahl'ithemba
That's what I told myself, Sulahl'ithemba
That's what I told myself, Sulahl'ithemba
That's what I told myself, Sulahl'ithemba
That's what I told myself, Sulahl'ithemba
That's what I told myself, Sulahl'ithemba
That's what I told myself, Sulahl'ithemba
That's what I told myself, Sulahl'ithemba
