2198, yeah!  
Big city shit, yeah that's the city shit  
Aye, aye, aye

Big city lights, so bright  
People here hustle day and night  
We don't live no lie, we all grind  
As'phele umoya, s'pusha till we get it right yeah  
Jozi, Jozi you showed me life aye (Put that on everything)  
Jozi, Jozi you raised me right (Yeah you did, put that on everything)

Grew up in the city then I blew up in the city  
Used to sell my lil' sticky, life was a lil' bit tricky  
I was working, I was busy  
They would purchase, I would get it  
What you doing, boy I did it  
Since a youngin' had the spirit

I miss them days (Days)  
A lot of shit changed (Changed)  
Life is not the same (Same)  
Old friends act strange (Strange)  
Yeah you heard the stories, you heard the stories  
You can't play a Joburg nigga like that, no  
You can't clown me like that, nah  
You heard the stories, you heard the stories  
You can't play a Joburg nigga like that, nah  
You can't play me like that, hell no

Big city lights, so bright  
People here hustle day and night  
We don't live no lie, we all grind  
As'phele umoya, s'pusha till we get it right yeah  
Jozi, Jozi you showed me life (Yeah you did, put that on everything)  
Jozi, Jozi you raised me right (Yeah you did, put that on everything)

Now I'm in the North side, more vibes  
If it's your birthday, more life  
South side, we outside  
I'm not capping when I say I ain't got no time  
East side yeah, we're grind here  
Put in the work three times yeah  
West side, best side, let's ride, let's grind  
You heard the stories, you heard the stories  
I see you flexing, nigga, you might get jacked  
If you like bitches, nigga, you might get trapped, aye  
Yeah you heard the stories, you heard the stories  
I see you flexing, nigga, you might get jacked  
If you like bitches, nigga, you might get trapped  
In the...
