I know where I'm goin' (They know it)

They cannot control me (No)

Can't fuck with no phony (Nah)

This one's for the homies and anyone that know me (Ayy, ayy, ayy, ayy)

No matter what they say about me (Ayy)

Ayy, I'm rollin' in Jozi, pourin' the potion

Cruisin' slowly, don't need no homie

Got Avery and Logan You know how I'm comin'

I don't know where you goin'

Who this? You know him?

I been trappin' out in Sandton

I stay humble but I'm packin', never lackin'

Made a livin' off my passion

Left actin', on some sad shit

When I'm in the hood I feel like Papa Action, yeah

I'm rollin', I'm rollin' (Rollin')

Whip it like its stolen (Scrrrr)

They know I'm the chosen (They know)
