

# LARRY BIRD

Emtee

I said fuck what you heard  
I said fuck what you heard  
I never miss like Larry Bird (nah)  
Some bridges were burnt (ye)  
Kick a bitch to the curb (yeah yeah)  
They never learn (nah)  
They want a money I earn  
I was patient waiting my turn (waiting my)  
And labels are jerks (ye)  
Reminiscing when I had the Merc  
I started the wave now they wanna surf (ay)  
Yeah you did it but I did you first (ay ay ay)  
I've been real ever since my birth  
I was broke now I know I'm worth  
They call me the goat (yah)  
Blessing and a curse  
Married to the money  
For better or worse (yah)  
Yeah, they know my name  
Look at all the merch

I put down the cup and I put in that work (I'm putting in work)  
Money clean you up when you come from the dirt (you come from the dirt)  
I ain't been to church always seen my homies in a hearse (ye)  
Now in my bag like a purse (like a purse)

All these chains on me like I'm Durk (ye Durk ye)  
Every time she see me ahe gon' flirt (ye ye ye)  
She on my Instagram tryna lurk (tryna lurk)

I said fuck what you heard  
I never miss like Larry Bird (ye)  
Some bridges were burn  
Kick a bitch to the curb (yeah)  
They never learn  
They want a money I earn  
I was patient waiting my turn  
And labels are jerks (ye ye ye)  
Reminiscing when I had the Merc  
I started the wave now they wanna surf (surf)  
Yeah you did it but I did you first (first)  
I've been real ever since birth (birth)  
I was broke now I know my worth  
They call me the goat  
Blessing and a curse  
Married to the money  
For better or worse (better)  
Yeah, they know my name  
Look at all the merch (merch)

I don't do drugs this comes from the earth (earth, 'erbs)  
I don't do luck I put in the work (I put in that work, yeah)  
She not from Russia, she know how to twerk (twerk, twerk)  
I rock a show and they going berserk (they going crazy)

I was in Moscow with the surp'  
During lockdown it was scarce

Fuck is you talking bout I been through the worst (I been through the worst)  
Yeah  
I'm putting my children first (ye)  
Daddy gotta kill a verse (ye)  
Been a minute since I been in church

I said fuck what you heard  
I never miss like Larry Bird  
Some bridges were burnt  
Kick a bitch to the curb  
They never learn  
They want a money I earn  
I was patient waiting my turn  
And labels are jerks  
Reminiscing when I had the Merc  
I started the wave now they wanna surf  
Yeah you did it but I did you first  
I've been real ever since birth  
I was broke now I know my worth  
They call me the goat  
Blessing and a curse  
Married to the money  
For better or worse  
Yeah, they know my name  
Look at all the merch
