

LIL NIGGA

Emtee

Ay, ay (I never changed lil nigga)
Yeah

I never changed little nigga
I was a brave little nigga
I ain't here to play little nigga
Get the fuck out my way little nigga
Streets ain't safe my nigga
You better know your place my nigga
I been through de pain my nigga
That's why I won't break my nigga

I run up the guap
I won't stop
I don't wanna go to prison (prison)
Bitch I'm a pops
I don't party
That's how a nigga stay winning

Cos I've got faith in the vision
Even though I stay sinnin'
Get to the money
Get to the money (get to the money)
That is the mission (that is a mission)
I run up the money and stack it fasho (stack it fasho)
I don't fuck with many coz I'm on the road (I'm on the road)
I was calling for help (help)
I was all on my own (all on my own)
I had to be strong (had to be strong)
Nobody putting me on (nah)
Look at me now I'm gone (gone)
Whole world know my songs (they know em')
Opps think they won (what)
Bitch you dead wrong (wrong)
Issa stick up stick up get on the floor
I'm making bread people are along for dough

I cannot change lil nigga
I run the game lil nigga
I'm not the same lil nigga
You can catch a fade lil nigga (ay)

I had my back to the ropes I had nowhere to go
Me and my brother we used to sleep on the floor (sleep on the floor)
They show me love at every show (every show)
Now they give me the dough
You already know

I never changed little nigga
I was a brave little nigga
I ain't here to play little nigga
Get the fuck out my way little nigga
Streets ain't safe my nigga
You better know your place my nigga
I been through de pain my nigga
That's why I won't break my nigga

I run up the guap
I won't stop
I don't wanna go to prison (ye, ye)
Bitch I'm a pops (yeah)
I don't party
That's why a nigga stay winning (ye, ye, ye)

I cannot change little nigga
I run the game little nigga
I'm not the same little nigga
I run the game little nigga
I cannot change little nigga
I run the game little nigga
I'm not the same little nigga
I run the game little nigga

I am a hustler
You already know (already know)
In the streets never fall
Always stick to the code
Remember when days were cold
Ben busy ni bukel ibold
Ben busy ni phuza isqo
I got my youngins on go
I don't do friends, we bros
