Ready

Emtee

Tonight I wanna lay you down
Girl I hope that you ready
I don't wanna lie, mami
Ngizokunika lonk' uthando lwami
Together we can fly away baby
Together we can fly away
Together we can fly away baby
Forget about this hard knock life
Let's get away

Lomntwana uyababa
Ngizomusa ekhaya, angidlali baby
Ngizomu tshela umama
Ungichazile nana, angidlali baby
You the one for me, ngiyakfuna
Where have been? Kudala ngikufuna
Angisafuni ukuhambe ngibamba bamba abantwana abatjatjarag
Ngifuna wena k'phela baby
Mina ngiyazifela
Sengiphethe intombi yangempela baby
Bamb' isandla sami, ngikunik' impilo yami
Ngifun' ukukwenza umama wabantwana bami
Ngithanda, mawuse duze kwami
Baby, woza hlala nami

Kudala bethi ngeke siphumelele
Awuthandi mangihamba baby
Ngeke siphinde sihlupheke
Mina nawe, mina nawe, mina nawe (eh eh eh)

Tonight I wanna lay you down
Girl I hope that you ready
I don't wanna lie, mami
Ngizokunika lonk' uthando lwami
Together we can fly away baby
Together we can fly away
Together we can fly away baby
Forget about this hard knock life
Let's get away

Lomntwana uyi-flame, got me insane, angidlali baby
Get with a lame, What do you say?
Hamba nami baby
Cele ungithembe, when I say "I love you"
Uyazi ngiyingwazi, so nobody will touch you
Umswenko waka Aaliyah
Uyashisa cause uyiNdiya
Kuyabonakala mangifika
Lama lame ayabandisa
Namathela kimi, you are all that I need
Noma unenknani, phela uyisthandwa sami
Ungabanak' abondabandaba
Phela makushuba bayanyamalala

And say ngeke siphumelele
Awuthandi mangihamba baby
Ngeke siphinde sihlupheke

Mina nawe, mina nawe, mina nawe (eh eh eh)

Tonight I wanna lay you down
Girl I hope that you ready
I don't wanna lie, mami
Ngizokunika lonk' uthando lwami
Together we can fly away baby
Together we can fly away
Together we can fly away baby
Forget about this hard knock life
Let's get away
