They know who put them on

On my mama I never had to go buy a beat
You not a OG, you just a prodigy
I'm a boss man, who gonna fire me?
Nobody, you a shooter with no bodies
Yeah I see that you rapping but I'm getting more money, ayy, ayy

First of I'd like to thank the All Mighty for my... (For my sons)
Two boys, you know

They wonder where it's coming from
I'm not a fraud I pray to God
I stay prayed up ayy, when I wake up, ayy
Plenty snakes out there, I stay safe out here
You want me in a cut
I need a milli plus
Put fam and 'em in the bus
Shooters with plenty guns
You know they envy us
Don't do this shit just because
I put in a lot of love
They hoping I fuck it up
Yeah I see 'em
All mad they can't be him
Duckin' when they see him
Who told 'em I need 'em? I'm a hustler
For the money bitch I'm vegan
I'm boppin' and weaving
I'm with all the beef here
I hustle while you sleepin'

I'm cooking what you eatin'
Get beat up just for tweetin'
I pray I never be them
