Sjaiva kuze kuse ek'seni, yeah

Everyone here tryna make cash
My people dead, gotta stay strapped
I been ahead since way back
I get the bread, gotta break that
Sisaphilisana, ain't shit changed
Amagenge ami they get paid
We been goin' hard with no sick days
They say I spazz too much, it's all the same
Everybody know that I hold shit down
Them OGs they gave me the crown
When I had nix, you wasn't around
Now you call me, say you wanna come around
We in this bitch, we gettin' lit
Breaking the dividends
I'ma win, and then, count stacks to spend
Going in, do it big, with no politic
Tell 'em I been the shit
I'm hotter than the hills

Se re phusha saam sokol'
Se re tlatza dikotlolo
Ga ba tlale, fede fokol
Le ko kasi baitsi so
Ezama grootman lezi
Qal' i-party baba fak' ugesi, yeah
Yamadoda ayipheli, yah
Sjaiva kuze kuse ek'seni, ayy

Baba fak' ugesi
It's a stick up when we pull up in the place
Moozlie and Emtee sellin' out the floor seats
Middle finger in a hater nigga face
Ahh heh yamadoda ayipheli
And the eye of a scum can't shake me, no-oh
Can't break me, new age MaBrrr too wavy, eh
Say don't get it twisted and don't be confused
I risk it all so I got nothing to lose
I came to win so I cannot lose
But you take a number and join the damn queue
I'm La Madrina, Griselda Blanco
Got the illest in the game on my fuckin' payroll
And a bunch o' mean hitters waitin' on my say-so
Tell the people take cover cause the shit about to blow, yeah

Se re phusha saam sokol'
Se re tlatza dikotlolo
Ga ba tlale, fede fokol
Le ko kasi baitsi so

Ezama grootman lezi
Qal' i-party baba fak' ugesi, yeah
Yamadoda ayipheli, yah
Sjaiva kuze kuse ek'seni, yeah
