

Wave

Emtee

(Yeah, look at what I did
Yeah, yeah, yeah
As I reminisce
Yeah, remember when I was a kid
Hey, hey)

As I reminisce, remember when I was a kid
Always wanted to be rich, dawg
They just wanna surf
They know I'm the wave
They don't wanna learn, dawg
I've got kids, tryna cop my whip
Maybe a crib, dawg
They know what I'm worth
I'm putting in work
They've been tryna curve, dawg

Hey, I'm putting in work, hey, hey
Back on the turf, saving up for a Merc, hey
And I design-a these shirts
Pricey cologne, I don't gotta fit
You say you got it then I got it first
Ey, I'm tryna get it on foe nem
I want to Eminem
Cause they don't listen when I'm telling them
Catching feelings is irrelevant
Kukhala akusizi, my dawg
Mina ngiya rapper ang'na CV, my dawg
Yeah, you see how they treat me, my dawg?
Rest in peace to SK hope you see me on God
Yeah, this life ain't easy, my dawg
Sometimes askhaphi my dawg, yeah, yeah

As I reminisce, remember when I was a kid
Always wanted to be rich, dawg
They just wanna surf
They know I'm the wave
They don't wanna learn, dawg
I've got kids, tryna cop my whip
Maybe a crib, dawg
They know what I'm worth
I'm putting in work
They've been tryna curve, dawg

I've been patient for way too long
I thank God that he made me strong
I've been patient for way too long
I thank God that he made me strong
Yeeah uh!

They wanna ride the wave
Wake up and decide to hate
I'm not going outside today
Negative energy far away
Hey hey, sizopopa nathi
Noma kunzima ukuzithoba ntway'zini
Ngifun' ukuzithola ngami

Kudala ngifuna ukuba yi bhoza nami
Ngifun' ukuzithola ngami
Kudala ngifuna ukuba yi bhoza nami

As I reminisce, remember when I was a kid
Always wanted to be rich, dawg
They just wanna surf
They know I'm the wave
They don't wanna learn, dawg
I've got kids, tryna cop my whip
Maybe a crib, dawg
They know what I'm worth
