

Dead Can't Dance

En Minor

Can you dance
In the horrid detail?
And with heroin
In your arm?

Can you dance?
Can you dance?
Can you dance?
Can you dance? (Around the truth)
Can you dance?
Can you dance?
Can you dance?
Can you dance? (Around the truth)
Can you dance?

Can you dance?
Crying in the locks
Inauspiciously
Broke and alone

Can you dance? (Can you dance?)
Can you dance? (Can you dance?)
Can you dance? (Can you dance?)
Can you dance? (Around the truth)
Can you dance? (Can you dance?)
Can you dance? (Can you dance?)
Can you dance? (Can you dance?)
Can you dance? (Around the truth)
