

seven miles, the end of all is near
seven days, in veins we stop to bleed

come on here tonight, wont be my babe
take a trip tonight, be my babe

this is not what you see this is not what will be
we are on the way to a second beeing
its the only way

we created
a new god

created god

seven miles, the end of all is near
seven days, in veins we stop to bleed

come on here tonight, wont be my babe
take a trip tonight, fucking babe

this is not what you see this is not what will be
we are on the way to a second beeing
its the only way

we created
a new god

created god

this is not what you see this is not what will be
created god

this is not what you see this is not what will be
created god

this is not what you see this is not what will be
created god

created god !!!
