

# My Friend

## End of Green

You have to be on your last day  
You never know what you have done to me  
But every night, lights go out and you feel alright  
You take what you will taken, you do what you will do

Can you tell me WHY?  
Did you kill yourself  
Can you tell me why?  
Did you kill yourself

We are young and your hope is lost  
We are young and we be friends  
Friends so can you tell is this the end my friend?

Hello, my friend  
Hello, my friend  
Hello, my friend

Can you tell me why?  
Did you kill yourself  
Can you tell me why?  
Did you kill yourself

What you are doing with your life  
What your doing with yourself

Yeah...

My friend is dead and I love my friend  
But every night lights go out and you feel alright

Can you tell me why?  
Can you tell me why?  
Can you tell me why?  
Can you tell me why?

Can you tell me why?  
Can you tell me why?  
Did you kill yourself  
Why you kill yourself?

Can you tell me why?  
Can you tell me why?  
Did you kill yourself  
Why you kill yourself?

What you are doing with your life  
What your doing with yourself

Why??
