

# Plastic Tree

Endah N Rhesa

Plastic trees are all I see  
Standing tall in misery  
When the dark clouds color the ocean  
And the ocean shrinks

Yellow rubber bumblebee  
Flying around in the garden pea  
They'll eat honey batteries  
Hanging on the plastic tree  
(Plastic tree)

No more singing from the birds  
No more roosters crowing  
Birds and roosters  
Made from paper

And paper made from wood  
Wood is part of trees  
But no more trees in the neighborhood  
So they made a plastic tree

It's the journey of reality  
And the end of history  
If the earth can understand me  
I'll say sorry  
Is it all our destiny  
That we are our own enemy  
The story of humanity  
Just a memory  
Oh mercy me (Haa)  
Please mercy me (Haa)

Hey Mr. Referee blows your whistle  
I wanna feel the air of life one more time  
Don't just hang your skeleton key  
Help me to make the world become a better place again

No more apple tree, no more lemon tree  
Just a plastic tree, it's the tree of fantasy

It's the journey of reality (Journey of reality)  
And the end of history (The end of our history)  
If the earth can understand me  
I'll say sorry  
Is it all our destiny (This is our destiny)  
That we are our own enemy (Our own enemy)  
The story of humanity  
Just a memory  
It's the journey of reality (Journey of reality)  
And the end of history (The end of our history)  
If the earth can understand me  
I'll say sorry (I say sorry)  
Is it all our destiny (This is our destiny)  
That we are our own enemy (Our own enemy)  
The story of humanity  
Just a memory

Mercy me  
The earth mother nature (mercy me)  
The ocean and the sea (mercy me)  
The sky and the mountain  
I'll say sorry  
Mercy me  
The air and the water (mercy me)  
The island and the tree (mercy me)  
The future generation  
I'll say sorry
