

Time Waits

Endless Struggle

Do you ever feel like
Your time is running out
Or have you ever felt like
The world is leaving you behind
Or have you ever felt so low at times
All frustrations you can't ever leave behind

[Chorus:]

Time waits time waits
Time waits for no one
Time waits time waits
Time waits for f**king no one

Time flies but your not my kid anymore
And now you realize what was said and he said it for
A word of wisdom is worth more than all the money in the world
But don't look back because I said that your time is running out

[Chorus:]

Time waits time waits
Time waits for no one
Time waits time waits
Time waits for f**king no one
