

Dommmage, Dommmage

Engelbert Humperdinck

Dommmage, Dommmage
Our love was once exciting
Now it's just a game we play

Too bad, too bad
But nothing lasts forever
All at once we've lost our way

Hello, goodbye
And suddenly it's over
And there's nothing we can do

Dommmage, Dommmage
Too bad we couldn't
Make our dreams come true

Hello, goodbye
And suddenly it's over
And there's nothing we can do

Dommmage, Dommmage
Too bad we couldn't
Make our dreams come true
