Don't Tell Me You Love Me

Engelbert Humperdinck

I'm holding on to the past
I try to turn back time
I never though I will see the day
when you would not be mine
Oh Oh
holding on to the memories
so clear in my mind
getting by on a make believe
but I got to start baby this life
Oh don;t, tell me you love me
when you dont even care
and dont say that you'll always
be there for me
'cause I know that you wanna be free

I'm thinking what went wrong
I try to blame myself
when you turn and you walked away
tell me, you just want someone else
ooooh,loneliness is a friend of mine
yea, but I like it that way
if you can stand the test of time
when you know I won't ask you to stay

don't tell me you love me
when you don't even care
and don't say that you'll always
be there for me
'cause I know that you wanna be free
