How Does It Feel

Engelbert Humperdinck

How does it feel? how does it feel?
All alone, without love
How does it feel?
What can you say?
There's nothing to say

Now his love's not enough to remain
Your cloudy dream
Has gone and brought you pain
The sunshine won't shine for you again

Your time has come
Now you know what it means
For someone you love
To become a cloudy dream

How does it feel? How does it feel?
You were wrong, all along
How does it feel?

You took away the love that I gave
Time and time
How I tried to make you stay

You let me down
You found somebody new
But somehow
The shadow falls on you

Your time has come
Now you know what it means
For someone you love
To become a cloudy dream
