

I Gave You My Love

Engelbert Humperdinck

I gave you my love
And I gave you my heart
What am I gonna do without you
I gave you my life
My warmth in the night
What am I gonna do without you

It's been so long
Oh what went wrong
Baby can we talk about it
I'm slowly dying
I've gotta keep trying
Maybe we'll fall in love again

You touched me inside
When I cannot hide
My feelings
If you're playing a game
Nobody can change
The way I love you

I gave you my soul
To have and to hold
Baby I can't live without you
I'm slowly dying
I gotta keep trying
Maybe we'll fall in love again

It's been so long
Oh what went wrong
Baby can we talk about it
I'm slowly dying
I gotta keep trying
Maybe we'll fall in love again

You touched me inside
When I cannot hide
My feelings
If you're playing a game
Nobody can change
The way I love you

I gave you my soul
To have and to hold
Honey I can't live without you
I'm slowly dying
I gotta keep trying
Maybe we'll fall in love again
