

# I'm So Excited

Engelbert Humperdinck

Tonight's the night we're gonna make it happen  
Tonight we'll put all other things aside  
Within this time and show me some affection  
We're going for those pleasures in the night

I want to love you, feel you, wrap myself around you  
I want to squeeze you, please you, I just can't get enough  
And if you move real slow  
I'll let it go

And I just can't hide it  
I'm about to lose control  
And I think I like it

And I just can't hide it  
And I know, I know, I know, I know  
I know I want you

We shouldn't even think about tomorrow  
Sweet memories will last a long long time  
We'll have a good time baby don't you worry  
And if we're still playin' around boy that's just fine

Let's get excited  
We just can't hide it  
I'm about to lose control and  
I think I like it

I want to love you, feel you, wrap myself around you  
I want to squeeze you, please you, Oh, I just can't get enough  
And if you move real slow I'll let it go

And I just can't hide it  
I'm about to lose control  
And I think I like it

And I just can't hide it  
And I know, I know, I know, I know  
I know I want you, I want you

Move closer to me  
You've got me burnin' up  
Oh oh oh oh oh

I get too carried  
I got to give it up  
Oh oh oh oh oh
