

I Wish You Love

Engelbert Humperdinck

Goodbye, no use leading with our chins
This is where our story ends Never lovers, ever friends
Goodbye, let our hearts call it a day But before you
walk away
I sincerely want to say

I wish you bluebirds in the spring
To give your heart a song to sing
I wish you health
And more than wealth
I wish you love

And in July a lemonade
To cool you in some leafy glade
I wish you health
And more than wealth
I wish you love

My breaking heart and I agree
That you and I could never be
So with my best
My very best
I set you free

I wish you shelter from the storm
And a cozy fire to keep you warm
And most of all
When snowflakes fall
I wish you love
